- The committee will require hirers to report any damage, breakages or safety issues needing attention to the caretaker or a committee member, who will inform the appropriate persons. These will be dealt with as soon as practicable, in the light of the circumstances, with provision to prevent access by children and vulnerable adults pending repairs where and when appropriate.
- A hiring agreement that includes appropriate clauses will be entered into for all hiring for licensable activities. TVH will ensure that these provisions are observed when holding any licensable activities itself.
- Contractors engaged to carry out work at TVH premises must not be allowed unsupervised access to children or vulnerable adults. All work should be undertaken when facilities are not in use, but appropriate supervision will be arranged if it is necessary to carry out work when this is not possible.
- If the premises might be used by more than one hirer, the attention of hirers will be drawn to the need to ensure that children and vulnerable adults are supervised when using toilets.
- The supervision of all groups remains the responsibility of the people who hire a TVH facility and sign terms and conditions of booking or rental agreement.
